

A woman with blonde hair is holding a white sign in front of her face. The sign features two side-by-side close-up photographs of a woman's eyes. The left eye is looking slightly to the left, and the right eye is looking slightly to the right. The text 'Dispelling Myths About EMDR Therapy' is written across the bottom of the sign in a black, handwritten-style font. The background is a solid blue color.

Dispelling Myths About EMDR Therapy
